- *Encourage informed and active participation in government*
- *Increase understanding of major public policy issues*
- *Influence public policy through education and advocacy*

The Tea Party may be over....

What started over 200 years ago with the Boston Tea Party is continuing today

The League of Women Voters and Democracy Need YOU!

- Determined to work to preserve democracy.
- Open to everyone.
- Strictly non-partisan, does not support or oppose candidates or political parties.
- Studies and holds positions on public policy issues. Lobbies local, state and national government for legislative changes.
- Encourages informed and active participation in government

*....but we're still
fighting!*
