Board or Steering Committee Member

Local League Board or Steering Committee members share the responsibility for effective governance of the organization and promotion of its mission by adhering to the following obligations:

- Actively support and promote the League's mission, vision, strategic goals and policy positions
- Attend all board meetings including annual retreats and convention; be well prepared and actively participate in all matters
- Provide fiscal oversight by reviewing treasurer's reports and participating in related discussion
- Serve on assigned committee or committees; attend, be well prepared and actively participate in all matters
- Participate in the organization's activities by attending programs and events
- Ensure the League's fiscal health by providing financial support
- Serve as an ambassador and represent the League accurately and positively in the community
- Serve as a mentor to newer members to the League and on the board / steering committee
- Attend Board / Steering Committee orientation or New/Old Board meeting
